The following discussions on our financial condition and result of operations should be read together with our audited consolidated financial statement and the notes to these statements included in the Annual Report.

### 1. INDUSTRY STRUCTURE AND DEVELOPMENTS

India's economic journey over the past few years has been marked by remarkable growth and a steady rise in its position on the global stage. After overtaking the United Kingdom (UK) to become the fifth largest economy in Q1 FY23, India has continued this upward trajectory to surpass Japan in June 2025 to become the fourth largest economy in the world. With a nominal Gross Domestic Product (GDP) of Rs. 3,31,03,000 crore (US\$ 3.78 trillion), India's growth reflects a combination of strong domestic demand and policy reforms positioning the country as a key destination for global capital.

Further, India is projected to reach a GDP of Rs. 4,26,45,000 crore (US\$ 5 trillion) by 2027 and is on course to surpass Germany by 2028. Rising employment and increasing private consumption, supported by rising consumer sentiment, will support GDP growth in the coming months.

India's economy shows robust expansion, with real GDP for FY25 estimated at Rs. 1,87,97,000 crore (US\$ 2.20 trillion), from Rs. 1,76,51,000 crore (US\$ 2.06 trillion) in FY24 with a growth rate of 6.5%. This growth is driven by rising employment and stronger private consumption, supported by improving consumer sentiment, which is expected to keep the momentum going in the near future.

Trade remains a critical pillar of India's growth story with exports reaching Rs. 37,31,000 crore (US\$ 436.6 billion) in FY25, led by Engineering Goods (26.88%), Petroleum Products (13.86%) and Electronic Goods (8.89%). These exports helped the economy stay resilient during the pandemic when other sectors slowed. Union Minister of Commerce and Industry, Mr. Piyush Goyal projects exports to reach Rs. 85,44,000 crore (US\$ 1 trillion) by 2030.

India's ability to attract Foreign Direct Investment (FDI) has also strengthened. The country received record FDI inflows amounting to Rs. 4,21,929 crore (US\$ 49.3 billion) in FY25 a 15% increase over FY24, supported by a stable policy environment, a large domestic market and steady economic growth positioning the country as a key destination for global capital. This capital inflow also complements government plans for increased investment in infrastructure and asset-building projects to further boost economic growth.

India's external economic position is improving. The current account deficit narrowed to Rs. 1,98,726 crore (US\$ 23.30 billion), or 0.6% of GDP, in FY25 from Rs. 2,21,754 crore (US\$ 26.00 billion), or 0.7% of GDP, in FY24. This improvement was due to higher net receipts from services and secondary income, according to the Reserve Bank of India (RBI).

#### Recent Developments

India is primarily a domestic demand-driven economy, with consumption and investments contributing to 70% of the economic activity. With India's economy showing resilient growth, supported by strong domestic demand, policy reforms, and a healthy investment pipeline, several new projects and developments are underway across key sectors. This positive development across key sectors is evident from following key economic data points.

- i. As of July 4, 2025, India's foreign exchange reserves stood at Rs. 59,68,048 crore (US\$ 699.74 billion).
- ii. In May 2025, private equity (PE) and venture capital (VC) investments reached Rs. 20,470 crore (US\$ 2.4 billion) across 97 deals.
- iii. Foreign Institutional Investors (FII) outflows in FY25 were close to Rs. 1,27,000 crore (US\$ 14.89 billion), while Domestic Institutional Investors (DII) bought in Rs. 6,00,000 crore (US\$ 70.34 billion) in the same period.
- iv. In FY25, the Goods and Services Tax (GST) recorded its highest-ever gross collection at Rs. 22,08,000 crore (US\$ 258 billion), registering a YoY growth of 9.4%. The average monthly collection stood at Rs. 1,84,000 crore (US\$ 21.57 billion).

- v. In May 2025, the overall Index of Industrial Production (IIP) stood at 156.6 (base 2011–12 = 100), reflecting a YoY growth of 1.2%. The mining, manufacturing and electricity sectors stood at 136.6, 154.3 and 216, respectively.
- vi. According to data released by the Ministry of Statistics & Programme Implementation (MoSPI), India's Consumer Price Index (CPI) - Combined inflation was 3.34% in March 2025 against 4.85% in March 2024.

### Government Initiatives

Over the years, the Indian government has introduced many initiatives to strengthen the nation's economy. The Indian government has been effective in developing policies and programmes that are not only beneficial for citizens to improve their financial stability but also for the overall growth of the economy. Over recent decades, India's rapid economic growth has led to a substantial increase in its demand for exports. Besides this, several of the government's flagship programmes, including Make in India, Start-up India, Digital India, the Smart City Mission, and the Atal Mission for Rejuvenation and Urban Transformation, is aimed at creating immense opportunities in India. In this regard, some of the initiatives taken by the government to improve the economic condition of the country are mentioned below:

- i. On July 5, 2025, the Union Cabinet approved the Rs. 1,00,000 crore (US\$ 11.72 billion) Research, Development and Innovation (RDI) Scheme, launching long-term, low- or zero-interest funding via a special purpose fund under the ANRF to jump-start India's R&D ecosystem and support deep-tech and startup innovation.
- ii. On March 27, 2025, the Reserve Bank of India proposed doubling the investment cap for individual foreign investors in listed firms from 5% to 10%, with a combined foreign individual limit increasing to 24%, to counter Foreign Portfolio Investment (FPI) outflows.
- iii. According to a report by Wood Mackenzie in January 2025, India, the US, and West Asia are expected to collectively add 100 Gigawatts (GW) of solar capacity by 2025, while China is anticipated to continue its leadership in the solar industry.
- iv. In July 2024, the Ministry of Finance held the Union Budget and announced that for 2024-25, the total receipts other than borrowings and the total expenditure are estimated at Rs. 32,07,000 crore (US\$ 375 billion) and Rs. 48,21,000 crore (US\$ 564 billion), respectively.
- v. In February 2024, the Finance Ministry announced the total expenditure in Interim 2024-25 estimated at Rs. 47,65,768 crore (US\$ 571.64 billion) of which total capital expenditure is Rs. 11,11,111 crore (US\$ 133.27 billion).
- vi. On January 22, 2024, Prime Minister Mr. Narendra Modi announced the 'Pradhan Mantri Suryodaya Yojana'. Under this scheme, one crore households will receive rooftop solar installations.
- vii. On September 17, 2023, Prime Minister Mr. Narendra Modi launched the Central Sector Scheme PM-VISHWAKARMA in New Delhi. The new scheme aims to provide recognition and comprehensive support to traditional artisans & craftsmen who work with their hands and basic tools. This initiative is designed to enhance the quality, scale, and reach of their products, as well as to integrate them with Micro, Small and Medium Enterprises (MSME) value chains.
- viii. On August 6, 2023, Amrit Bharat Station Scheme was launched to transform and revitalize 1,309 railway stations across the nation. This scheme envisages development of stations on a continuous basis with a long-term vision.
- ix. On June 28, 2023, the Ministry of Environment, Forests, and Climate Change introduced the 'Draft Carbon Credit Trading Scheme, 2023'.
- x. From April 1, 2023, Foreign Trade Policy 2023 was unveiled to create an enabling ecosystem to support the philosophy of 'Aatmanirbhar Bharat' and 'Local goes Global'.
- xi. To enhance India's manufacturing capabilities by increasing investment and production in the sector, the government of India has introduced the Production Linked Incentive Scheme (PLI) for Pharmaceuticals.
- xii. Prime Minister's Development Initiative for North-East Region (PM-DevINE) was announced in the Union Budget 2022-23 with a financial outlay of Rs. 1,500 crore (US\$ 182.35 million).
- xiii. Prime Minister Mr Narendra Modi has inaugurated a new food security scheme for providing free food grains to Antyodaya Ann Yojna (AAY) & Primary Household (PHH) beneficiaries, called Pradhan Mantri Garib Kalyan Ann Yojana (PMGKAY) from January 1, 2023.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable,

matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

**Auditor's Responsibilities for the Audit of Standalone Ind AS Financial Statement**

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone Ind As financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the Standalone Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS Financial Statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure -A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

3. (a) The management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
- 4. The Company has not declared or paid dividend during the year under audit.
  - 5. The Company does not have any pending litigations except as reported which would impact its financial position in its Standalone Ind AS Financial Statements;
  - 6. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
  - 7. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
  - 8. On the basis of the information and explanations given to us and based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

#### **Annexure B to the Independent Auditors' Report**

**The Annexure referred to in our report to the members of JPT SECURITIES LIMITED ("the Company") for the year Ended on 31<sup>st</sup> March, 2025.**

#### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **JPT SECURITIES LIMITED** ("the Company") as of 31<sup>st</sup> March, 2025 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Standalone Ind AS Financial Statements based on our audit. We have conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and as issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Standalone Ind AS Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these Standalone Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Standalone Ind AS Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these Standalone Ind AS Financial Statements.

#### **Meaning of internal financial controls over financial reporting with reference to these Standalone Ind AS Financial Statements**

A company's internal financial control over financial reporting with reference to these Standalone Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Standalone Ind AS Financial Statements includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of authorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS Financial Statements.

#### **Inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS Financial Statements**

Because of the inherent limitations of internal financial controls over financial reporting reference to these Standalone Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting reference to these Standalone Ind AS Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting reference to these Standalone Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting reference to these Standalone Ind AS Financial Statements and such internal financial controls over financial reporting reference to these Standalone Ind AS Financial Statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES FORMING PART OF THE FINANCIAL STATEMENT FOR THE YEAR MARCH 31, 2025**
**Note - 1****STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES****a General Information**

JPT Securities Limited is a Public Company Listed with BSE and domiciled in India and incorporated under the Provisions of Companies Act, 1956. It is registered as a Non banking Financial Company ("NBFC") with the Reserve Bank of India. The registered office of the company is located at SKIL House, 209, Bank Street Cross Lane, Fort Mumbai-400023. The Company is engaged in the business of providing Loans.

**b Basis of Preparation of Financial Statements:**

These financial statements have been prepared in compliance with Indian Accounting Standards (Ind-AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, on the accrual basis. The Company has prepared its Financial Statements in accordance with Indian GAAP, including accounting standards (AS) notified under the Companies (Accounting Standards) Rules, 2006 (as amended), which is considered as "Previous GAAP".

The financial statements were approved for issue by the Board of Directors on 29th May, 2025.

**c Functional and Presentation Currency:**

The Financial Statements are presented in Indian rupees which is the functional currency for the Company.

**d Use of Estimates:**

The preparation of Financial Statements in accordance with Ind - AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the Balance Sheet and Statement of Profit and Loss. The actual amounts realised may differ from these estimates. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognised in the period in which the results are known / materialised and if material, their effects are disclosed in the notes to the Financial Statements.

**Estimates and assumptions are required in particular for:**

- i. Determination of the estimated useful life of tangible assets and the assessment as to which components of the cost may be capitalized. Useful life of tangible assets is based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful life is different from that prescribed in Schedule II, it is based on technical advice, taking into account the nature of the asset, estimated usage and operating conditions of the asset, past history of replacement and maintenance support. Assumptions also need to be made, when the Company assesses, whether an asset may be capitalised and which components of the cost of the asset may be capitalised.

**ii. Recognition of deferred tax assets**

A deferred tax asset is recognised for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised. The management assumes that taxable profits will be available while recognising deferred tax assets.

**iii. Recognition and measurement of other provisions**

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may, therefore, vary from the figure included in other provisions.

**iv. Discounting of long-term financial liabilities**

All financial liabilities are required to be measured at fair value on initial recognition. In case of financial liabilities, which are required to be subsequently measured at amortised cost, interest is accrued using the effective interest method.

**f Current Versus Non Current Classification:**

- i. **The assets and liabilities in the Balance Sheet are based on current/ non - current classification. An asset as current when it is:**

- 1 Expected to be realised or intended to be sold or consumed in normal operating cycle
- 2 Held primarily for the purpose of trading

- 3 Expected to be realised within twelve months after the reporting period, or
- 4 Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

**ii A liability is current when it is:**

- 1 Expected to be settled in normal operating cycle
- 2 Held primarily for the purpose of trading
- 3 Due to be settled within twelve months after the reporting period, or
- 4 There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are treated as non - current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

**g Significant Accounting Policies:**

**I Property, Plant and Equipments:**

- i. All other property, plant and equipments have been carried at value in accordance with the previous GAAP.
- ii. Property, plant and equipments are stated at cost net of cenvat / value added tax less accumulated depreciation and impairment loss, if any. All costs, including finance costs incurred up to the date the asset is ready for its intended use.

**II Depreciation:**

- i. Depreciation on Tangible Fixed Assets is provided on the Straight Line Method over the useful life of assets prescribed in Part C of Schedule II to the Companies Act, 2013. The Management believes that the useful lives prescribed in Part C of Schedule II to the Companies Act, 2013 best represents the period over which management expects to use assets.
- ii. In respect of additions/extensions forming an integral part of existing assets, depreciation has been provided over residual life of the respective assets. Significant addition which are required to be replaced/performed at regular interval are depreciated over the useful life of their specific life.

**III Revenue Recognition:**

- i Interest income is recognized on a time proportion basis.

**IV Financial Instruments:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**Financial Assets**

**i Classification**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

**ii Initial recognition and measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

**iii Financial Assets measured at amortised cost:**

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the Statement of Profit or Loss. This category generally applies to trade and other receivables.

**iv Financial Assets measured at fair value through other comprehensive income (FVTOCI):**

Financial assets under this category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income.

**v Financial Assets measured at fair value through profit or loss (FVTPL):**

Financial assets under this category are measured initially as well as at each reporting date at fair value with all changes recognised in profit or loss.

**vi Investment in Subsidiary and Associates:**

Investment in equity instruments of Subsidiaries and Associates are measured at cost. Provision for Impairment loss on such investment is made only when there is a diminution in value of the investment which is other than temporary.

**vii Investment in Equity Instruments:**

Equity instruments which are held for trading are classified as at FVTPL. All other equity instruments are classified as FVTOCI. Fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income. There is no recycling of the amounts from other comprehensive income to profit or loss.

**viii Investment in Debt Instruments:**

A debt instrument is measured at amortised cost or at FVTPL. Any debt instrument, which does not meet the criteria for categorization as at amortised cost or as FVOCI, is classified as at FVTPL. Debt instruments included with in the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

**ix Derecognition of Financial Assets**

A financial asset is primarily derecognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

**x Impairment of Financial Assets**

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instrument and trade receivables.

**Financial Liabilities****i Classification**

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

**ii Initial recognition and measurement**

All financial liabilities are recognised initially at fair value, in the case of loans, borrowings and payables, net of directly attributable transaction costs. Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

**iii Subsequent measurement**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

**iv Loans and Borrowings**

Interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

**v Derecognition of Financial Liabilities**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

**V Provision for Current and Deferred Tax:**

Income tax expense comprises current and deferred tax. It is recognised in statement of profit and loss except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income.

**i. Current tax**

Current tax comprises of the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of the previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are offset only if, the Company:

- > has a legally enforceable right to set off the recognised amounts; and
- > intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

**ii. Deferred Tax**

Deferred tax is recognized for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rate and laws that are enacted or substantively enacted as on reporting date. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses and credits can be utilised.

**Deferred tax assets and liabilities are offset only if:**

- > entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- > deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

**VI Impairment of Assets:**

At each balance sheet date, the Company assesses whether there is any indication that any property, plant and equipment and intangible assets with finite lives may be impaired. If any such impairment exists the recoverable amount of an asset is estimated to determine the extent of impairment, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

**VII Provision for Doubtful Debts and Loans and Advances:**

Provision is made in the accounts for doubtful debts, loans and advances in cases where the management considers the debts, loans and advances to be doubtful of recovery.

**VIII Provision, Contingent Liabilities and Contingent Assets:**

A provision is recognized if as a result of a past event the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are not recognised but disclosed in the Financial Statements when economic inflow is probable.

**Note - 22****FINANCIAL RISK MANAGEMENT OBJECTIVE AND POLICIES:**

The Company's principal financial liabilities comprise loans and borrowings and trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include Investment, loans and advances, trade and other receivables, and cash and bank balances that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management advises on financial decision and the appropriate financial risk governance framework for the Company.

**Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTOCI investments and derivative financial instruments.

**Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

**Credit risk**

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and advances to suppliers) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR MARCH 31, 2025

**Trade receivables**

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. An impairment analysis is performed at each reporting date on an individual basis for major clients.

**Financial instruments and cash deposits**

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved authorities. Credit limits of all authorities are reviewed by the Management on regular basis.

**Liquidity risk**

The Company monitors its risk of a shortage of funds using a liquidity planning tool.

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, Letter of Credit and working capital limits.

**Note - 23****CAPITAL MANAGEMENT:**

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

**Note - 24****EARNING PER SHARE:**

Particulars	2024-25	2023-24
Net Profit / (Loss) After Tax available for Equity Shareholders (in Rs.)	(20.00)	(83.50)
Weighted Average Number of Equity Shares of Rs. 10/- each outstanding during the year	30,06,000.00	30,06,000.00
Basic/Diluted Earning Per Share (in Rs.)	-	-

**Note - 25**

Considering the current business scenario globally, on-going litigation, liquidity tightness in the market, the Company has undertaken Provision for Impairment of its Assets including Investment / receivables on a conservative basis which includes Impairment on Investment in Subsidiaries and Associates, Advance to Parties and Associates, Deposit aggregating to Rs.46.67,046/-.

**Note - 26**

Previous year's figures have been regrouped/rearranged/reclassified wherever necessary.

## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of

**JPT SECURITIES LIMITED**

**Report on the audit of the Consolidated Financial Results**

**Opinion**

We have audited the accompanying Consolidated financial results of **JPT SECURITIES LIMITED** (hereinafter referred to as the "Company") for the quarter and the year ended March 31, 2025, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').

In our opinion and to the best of our information and according to the explanations given to us, the statement:

a. Include the results of the following entity:

**Associate Company**

JPT Share Services Pvt. Ltd

b. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and

c. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India, of the **net loss** and other comprehensive income and other financial information for the quarter and the year ended March 31, 2025.

**Emphasis of Matter**

*During the audit it is observed that the Company is facing liquidity issues due to which the Company has not settled statutory dues amounting to Rs. 2.85 crores outstanding for more than six months. Further the Company is handling these pending income tax cases against which actual liability with interest thereon due up to the balance sheet date is not assessed/determined hence the additional tax liabilities if any along with interest under income tax have not been provided in books. As per management representation the Company is facing temporary liquidity issue which will be resolved soon as all the loans, advances are good and recoverable in full and there no issue on going concern of the Company. There is no provision is required in the books which impacts financial results and financial position of the Company as on balance sheet date.*

*In view of inadequate information and status of tax dues, we are unable to comments on adequacy of statutory liability provided in books as on balance sheet date.*

*Our report is not modified to the extent in these matters.*

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Results* section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Ind AS financial statements

**Key Audit Matters**

Key Audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Consolidated Ind AS financial statements of the current year.

We have determined that there are no key matters to Communicate in our report.

**Information Other than the Consolidated Ind AS Financial Statements and Auditor's Report Thereon**

The company's Board of Directors is responsible for the other information. The other information obtained at the date of this auditor's report is other information included in Board of Directors Report including Annexure to such report but does not include the Consolidated Financial Statements and our Auditor's Report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable controls that were operating effectively for ensuring the accuracy and completeness of the and prudent; and design, implementation and maintenance of adequate internal financial accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Ind AS financial statements management is responsible for assessing the Company's ability to continue as a going concern disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of Consolidated Ind AS Financial Statement**

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.

As part of an audit in accordance with SAs we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (i) to evaluate the effect of any identified misstatements in the Consolidated Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS Financial Statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matters**

The annual financial information include the share of profit/loss accounted in consolidated accounts under equity method and the associate has incurred losses Rs. 1.21 lakhs and no revenue has been earned during the year. The financial statements of associate Company are audited by other independent auditors and we have relied on the same

#### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit we report that
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit

**Annexure “A” To The Independent Auditor’s Report**

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of **JPT SECURITIES LIMITED** of even date)

**Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)**

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended March 31, 2025, we have audited the internal financial controls with reference to Consolidated Financial Statements of **JPT SECURITIES LIMITED** (hereinafter referred to as the “Company”) and its subsidiary companies, which are companies incorporated in India, as of that date.

**Management’s and Board of Directors’ Responsibilities for Internal Financial Control**

The respective Company’s management and Boards of Directors of the Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor’s Responsibility**

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”) and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated Financial Statements of the Company and its subsidiary companies, which are companies incorporated in India.

**Meaning of Internal Financial Controls with reference to Consolidated Financial Statements**

A company’s internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements**

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at March 31, 2025, based on the criteria for internal financial control with reference to Consolidated Financial Statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

## NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR MARCH 31, 2025

### Note - 1

#### STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

##### a General Information

JPT Securities Limited is a Public Company Listed with BSE and domiciled in India and incorporated under the Provisions of Companies Act, 1956. It is registered as a Non banking Financial Company ("NBFC") with the Reserve Bank of India. The registered office of the company is located at SKIL House, 209, Bank Street Cross Lane, Fort Mumbai-400023. The Company is engaged in the business of providing Loans.

##### b Basis of Preparation of Financial Statements:

These financial statements have been prepared in compliance with Indian Accounting Standards (Ind-AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, on the accrual basis. The Company has prepared its Financial Statements in accordance with Indian GAAP, including accounting standards (AS) notified under the Companies (Accounting Standards) Rules, 2006 (as amended), which is considered as "Previous GAAP".

The financial statements were approved for issue by the Board of Directors on 29 th May , 2025

##### c Functional and Presentation Currency:

The Financial Statements are presented in indian rupees which is the functional currency for the Company.

##### d Use of Estimates:

The preparation of Financial Statements in accordance with Ind - AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the Balance Sheet and Statement of Profit and Loss. The actual amounts realised may differ from these estimates. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognised in the period in which the results are known / materialised and if material, their effects are disclosed in the notes to the Financial Statements.

##### Estimates and assumptions are required in particular for:

i. Determination of the estimated useful life of tangible assets and the assessment as to which components of the cost may be capitalized. Useful life of tangible assets is based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful life is different from that prescribed in Schedule II, it is based on technical advice, taking into account the nature of the asset, estimated usage and operating conditions of the asset, past history of replacement and maintenance support. Assumptions also need to be made, when the Company assesses, whether an asset may be capitalised and which components of the cost of the asset may be capitalised.

##### ii. Recognition of deferred tax assets

A deferred tax asset is recognised for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised. The management assumes that taxable profits will be available while recognising deferred tax assets.

##### iii. Recognition and measurement of other provisions

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may, therefore, vary from the figure included in other provisions.

##### iv. Discounting of long-term financial liabilities

All financial liabilities are required to be measured at fair value on initial recognition. In case of financial liabilities, which are required to be subsequently measured at amortised cost, interest is accrued using the effective interest method.

##### f Current Versus Non Current Classification:

##### i. The assets and liabilities in the Balance Sheet are based on current/ non - current classification. An asset as current when it is:

- 1 Expected to be realised or intended to be sold or consumed in normal operating cycle
- 2 Held primarily for the purpose of trading
- 3 Expected to be realised within twelve months after the reporting period, or
- 4 Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

##### ii A liability is current when it is:

- 1 Expected to be settled in normal operating cycle

- 2 Held primarily for the purpose of trading
- 3 Due to be settled within twelve months after the reporting period, or
- 4 There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are treated as non - current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

**g Significant Accounting Policies:**

**I Property, Plant and Equipments:**

- i. All other property, plant and equipments have been carried at value in accordance with the previous GAAP.
- ii. Property, plant and equipments are stated at cost net of cenvat / value added tax less accumulated depreciation and impairment loss, if any. All costs, including finance costs incurred up to the date the asset is ready for its intended use.

**II Depreciation:**

- i. Depreciation on Tangible Fixed Assets is provided on the Straight Line Method over the useful life of assets prescribed in Part C of Schedule II to the Companies Act, 2013. The Management believes that the useful lives prescribed in Part C of Schedule II to the Companies Act, 2013 best represents the period over which management expects to use assets.
- ii. In respect of additions/extensions forming an integral part of existing assets, depreciation has been provided over residual life of the respective assets. Significant addition which are required to be replaced/performed at regular interval are depreciated over the useful life of their specific life.

**III Revenue Recognition:**

- i Interest income is recognized on a time proportion basis.
- ii Dividend is considered when the right to receive is established.

**IV Financial Instruments:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**Financial Assets**

**i Classification**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

**ii Initial recognition and measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

**iii Financial Assets measured at amortised cost:**

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the Statement of Profit or Loss. This category generally applies to trade and other receivables.

**iv Financial Assets measured at fair value through other comprehensive income (FVTOCI):**

Financial assets under this category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income.

**v Financial Assets measured at fair value through profit or loss (FVTPL):**

Financial assets under this category are measured initially as well as at each reporting date at fair value with all changes recognised in profit or loss.

**vi Investment in Subsidiary and Associates:**

Investment in equity instruments of Subsidiaries and Associates are measured at cost. Provision for Impairment loss on such investment is made only when there is a diminution in value of the investment which is other than temporary.

**vii Investment in Equity Instruments:**

Equity instruments which are held for trading are classified as at FVTPL. All other equity instruments are classified as FVTOCI. Fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income. There is no recycling of the amounts from other comprehensive income to profit or loss.

**viii Investment in Debt Instruments:**

A debt instrument is measured at amortised cost or at FVTPL. Any debt instrument, which does not meet the criteria for categorization as at amortised cost or as FVOCI, is classified as at FVTPL. Debt instruments included with in the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

**ix Derecognition of Financial Assets**

A financial asset is primarily derecognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

**x Impairment of Financial Assets**

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instrument and trade receivables.

**Financial Liabilities****i Classification**

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

**ii Initial recognition and measurement**

All financial liabilities are recognised initially at fair value, in the case of loans, borrowings and payables, net of directly attributable transaction costs. Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

**iii Subsequent measurement**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

**iv Loans and Borrowings**

Interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

**v Derecognition of Financial Liabilities**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

**V Provision for Current and Deferred Tax:**

Income tax expense comprises current and deferred tax. It is recognised in statement of profit and loss except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income.

**i. Current tax**

Current tax comprises of the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of the previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are offset only if, the Company:

- > has a legally enforceable right to set off the recognised amounts; and
- > intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

**ii. Deferred Tax**

Deferred tax is recognized for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rate and laws that are enacted or substantively enacted as on reporting date. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary

differences, unused tax losses and credits can be utilised.

**Deferred tax assets and liabilities are offset only if:**

- > entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- > deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

**VI Impairment of Assets:**

At each balance sheet date, the Company assesses whether there is any indication that any property, plant and equipment and intangible assets with finite lives may be impaired. If any such impairment exists the recoverable amount of an asset is estimated to determine the extent of impairment, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

**VII Provision for Doubtful Debts and Loans and Advances:**

Provision is made in the accounts for doubtful debts, loans and advances in cases where the management considers the debts, loans and advances to be doubtful of recovery.

**VIII Provision, Contingent Liabilities and Contingent Assets:**

A provision is recognized if as a result of a past event the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are not recognised but disclosed in the Financial Statements when economic inflow is probable.

**Note - 22****FINANCIAL RISK MANAGEMENT OBJECTIVE AND POLICIES:**

The Company's principal financial liabilities comprise loans and borrowings and trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include Investment, loans and advances, trade and other receivables, and cash and bank balances that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management advises on financial decision and the appropriate financial risk governance framework for the Company.

**Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTOCI investments and derivative financial instruments.

**Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

**Credit risk**

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and advances to suppliers) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

**NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR MARCH 31, 2025****Trade receivables**

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. An impairment analysis is performed at each reporting date on an individual basis for major clients.

**Financial instruments and cash deposits**

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved authorities. Credit limits of all authorities are reviewed by the Management on regular basis.

**Liquidity risk**

The Company monitors its risk of a shortage of funds using a liquidity planning tool.

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, Letter of Credit and working capital limits.

**Note - 23****CAPITAL MANAGEMENT:**

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.
